Hyatt's
ALL THINGS CREATIVE

INTRODUCING THE SNAPPRESS LP-1

SNAP PRESS
A Brilliantly Simple Prime Label Press

Brought to you by the innovators
behind Allen Datagraph.

SMALL PACKAGE. BIG RESULTS.

Finally, a **COMPACT, AFFORDABLE**, and **EASY-TO-USE** inkjet press for prime labels that packs in HP inkjet tech so you can snap up any short-run opportunities.

A THIRD OF THE COST

Spend less and make more with a prime label press at a low upfront cost.

ALL OF THE QUALITY

Printing prime labels isn't just for the big machines anymore.

A SNAP TO USE ... AND MAINTAIN

Set-up is fast & simple, easily swap out service modules and avoid downtime.

EVEN MORE INNOVATION FOR YOUR PRINT & FINISHING NEEDS

Solutions designed to enhance product identification, data visualization, and manufacturing production.

Boost your workflow and finish more, faster with **ADSI LABEL FINISHERS**

Laminate, matrix take-up, slit, and rewind all your labels in one quick process to save time, reduce waste and increase your productivity.
