GERBER EDGE Decal Back-Slit & Punch-Out WEBINAR

GERBER EDGE Owners!

Learn how to backslit decals with your plotter and how to make them fall out of the backing sheet—no more weeding!

JD's customized GoToMeeting® webinar will teach you how to design and cut logos, including how to print custom instructions on the paper backing. Learn how to use your vinyl cutter to "punch out" and back-slit the decals. This session will allow personalized attention and Q&A. Learn valuable skills without a large investment of time, on-site training costs or travel expenses.
